MINISTERS IN MOURNING

APPALLING LOSS OF LIFE IN THE  
WATERS OF LAKE ERIE.

Twenty-eight of the Dead at Lake City Identified.

Many More Lie at the Bottom of the Lake.

The Lake George Disaster.

On Wednesday, July 15th, the early reports of the disaster which overtook the steamer

Sawing on Lake Erie did not exaggerate

the loss of life. At least 100 lives

were lost, and it is feared that the toll

may be as high as 150. Twenty-five

of the bodies have been recovered. It is

probable there are yet 50 or 60 people missing

in addition. It is thought that all of them

are crowded with friends of the dead

and many cases of prostration have occurred.

Business is completely at a standstill. John

Heintz, wife and five children, accompanied

the entire family, as among the dead.

"Rat" Maro, a brother of Charlie Maro, an

insurance agent of Minneapolis, and his

family were drowned. They went down

wrapped in each other's arms and were

found in the water, and were buried

in the same grave. The names of the

others are being ascertained.

SAVED TO LIVE.

Corporal Perry, of the 10th Infantry, was

found floating in the water. He was

lucky enough to be picked up by a

fisherman. He is now recovering from

his wounds. The bodies of the other
